

HELP CONTINUE THE LEGACY

All of us in the cattle business do what we do with the hope of passing our knowledge and values to the next generation. We want them to continue our “legacy”. The Board Members of the PCA have recently decided to merge the PCA Scholarship Fund and the Lowell Wilson Scholarship Fund. This will allow the PCA, past and present, to honor those individuals who have dedicated time and effort to the PCA cause. Like Lowell Wilson and Ray Grimes.

But, we need your help. We need the children of members of the PCA to utilize a member benefit by applying for the scholarships. This will help to further their education to be able to come back to the cattle business in Pennsylvania and continue your “legacy”. We also need you, as PCA members to help support this scholarship cause to continue your legacy.

Mary Grimes has agreed to match contributions. She wants to continue Ray’s legacy. The Board Members of the PCA would like to thank Mary Grimes for her matching donations to the Scholarship funds to get those to the levels they are today. For more information please contact George McQuiston, Scholarship Chairman, at 330-692-0181 or email to gmcquiston@witmersfeed.com. All donations can be made to the PA Cattlemen’s Association, C/O Ann Nogan, 127 Tompkinsville Rd., Scott Township PA 18433.
